

Accessibility Statement for Community Care Expansion Program

This is an accessibility statement from California Department of Social Services.

Measures to Support Accessibility

California Department of Social Services takes the following measures to ensure accessibility of Community Care Expansion Program:

- Include accessibility throughout our internal policies.
- Appoint an accessibility officer and/or ombudsperson.
- Assign clear accessibility goals and responsibilities.
- Employ formal accessibility quality assurance methods.

Conformance Status

California Government Code 7405 requires us to follow the conformance requirements and success criteria outlined in [Web Content Accessibility Guidelines \(WCAG version 2.1\)](#). WCAG defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. Community Care Expansion Program is fully conformant with WCAG 2.1 Levels A and AA.
